

From Pastor Thabo

Dear cell leader,
Greetings to you in Jesus Name.

Lord Jesus teach us how to pray

Scripture reading:

- Luke 11:1, Matthew 6:6 & 6:7-10
- Luke 18:1 & ,Mark 1:35

All that God is and all that He has may be received through prayer.
The Foundation of prayer is to understand the mind of the creator Himself.

- Prayer is our cosmic shift from selfish plans to God's plans.
- Prayer is our ability to be influencers of our Father's kingdom.
- Prayer is our ticket to our greatest needs being met.
- Prayer is our hope that confirms to our heart we have a hope. Christ the...of glory
- Prayer is our peace that the creator is still creating.
- Prayer is our emergency exit door for what the devil has already cooked up to destroy us.

It is our lifeline when we feel we have lost all life.

IN CONCLUSION:

Prayer was and is one of Jesus tools, we should make it ours too.

Discovery questions:

1. What is prayer?
2. Why is prayer necessary?
3. How should we prayer?
4. When should we prayer?

Pray that the house of the Lord to be a house of prayer Matt21:13.

God bless

Pastor Thabo
