Dear Community Care Group Leader; I greet you in the name of our lord and Saviour Jesus Christ. This message reminds us that faith is a believer's "superpower". Without faith we cannot please God, neither can we be the agents of transformation that He is calling us to be.

PUT YOURSELF IN GOD'S FRAME

"God is looking for people through whom He can do the impossible. What a pity we plan only things we can do by ourselves" - AW Tozer

1. FROM UNSEEN TO SEEN

- How we transform the unseen to the seen, is through the greatest transformative force in the whole world – FAITH
- With the smallest application of faith, we can change the world. The Bible says all that we need is faith the size of a mustard seed (Matthew 17:20).
- Heroes of Faith – Hebrews 11. Ordinary men and women, through whom, God did the extraordinary.
- Hebrews 11:6 By Faith we understand – understanding is the ability to make sense. Faith unlocks us to see reality – true reality, God's reality. The more faith we can access, the more we begin to connect the dots, appreciate what is true in any circumstance and thus act accordingly. It is for this reason why verse 6 says it is impossible to please God without faith. As your actions, no matter how well intended, will be wrong if you have not understood correctly and consequently acted in line with that correct understanding.
- Hebrews 11 creates a beautiful motion picture of what can be achieved by God, through me and you, as yielded vessels.

2. NOAH'S TRANSFORMATIVE FAITH

- Read Hebrews 11:7 & Gen 6
- What we see is Noah using God's strategy to build the Ark. Noah didn't go about building the Ark, with his own ideas. This is critical because its only God who knew the exact specifications for the Ark.
- Many times, God calls His people to put themselves, in the frame of His picture, but many times God's people want to determine where and how they are placed, instead of allowing God to order their steps. This disobedience disqualifies them from God's transformative agenda.
- Noah was committed to seeing God's purpose fulfilled, no matter how long it took and what people said.

3. POSITION YOURSELF FOR TRANSFORMATION THROUGH FAITH

- 2 Chronicles 16:9 (GNT)
- Many times, God cannot strengthen us or capture us in His picture because we are hidden behind a veil of unbelief.

May you be blessed, as the Holy Spirit helps you internalise and actualise this message.

Much love.
